

## School Annual Education Report (AER) Cover Letter

February 28, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Columbia Upper Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Christi O'Neil, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site: <http://www.myeagles.org>, or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

### Mission Statement

*The Columbia School District, in partnership with the community, will provide a safe and positive learning environment, which will prepare all students to contribute and compete in a global society.*

Columbia Upper Elementary School Improvement goals focus on the areas of English Language Arts, Math, and Social Studies. We continue to strive to meet measurable objectives in these core content areas that were identified as needs by our annual data review. We also have initiated interventions to increase achievement for the students who are still struggling in the lower third of state summative achievement.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

The Columbia School District follows School of Choice in the Jackson Area. Most pupils attend based on being a resident of the district. Students are assigned to school buildings based on age and their current grade level.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

In 2015-2016 our School Improvement Plan was in partial implementation. We are in the second year of our plan. Upon implementation this school year, we shifted our goals slightly to include Social Studies. Our School Improvement Team meets monthly to assess strengths and progress made while evaluating initiatives for continued achievement gaps.

3. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

A copy of our core curriculum is housed with each grade level teaching team. It can be accessed per request. Teachers implement daily the curriculum that is aligned to the state standards. They use a process of teaching and learning with I Can statements followed up by an assessment to measure growth.

4. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

In addition to the state summative assessment, students also participate in the i-Ready assessment which they take three times throughout the school year. I-Ready has been implemented for three years within our district. Our staff ties these results directly to curriculum. These results are sent home with individual students.

5. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

The number of parents who attended conferences was 395 with a percentage 92% for the 2016-2017 school year. In 2015 -2016, our attendance was 95%.

I congratulate all of the students, staff, and parents of Columbia Upper Elementary School for a tremendous year and look forward to continued success in 2017-2018.

Sincerely,

*Christi O'Neil*
