Columbia School District Online Academy

Are you a high school student trying to complete your education, but must also juggle a full-time job or parental responsibilities?

Ideal for students who :

- are parents
- are working full-time
- have attendance issues
- are home-schooled
- are accelerated learners
- are expelled/suspended
- have a medical condition
- just need a change

Hundreds of course offerings available, including: general education, honors, advanced placement, and credit completion.

If so, the Columbia School District Online Academy may be the answer for you. While enrolled in our free online program, you can work on classes whenever it fits your schedule!!

Credits earned will be tabulated according to the graduation requirements of Columbia Options High School.
